To Whom It May Concern:

This letter is to recommend Ocetalo to any prospective employer. Ocetalo has been volunteering with Hunterdon Hispanos as a translator for *La Voz de Hunterdon*, our monthly newsletter, for several months now. I have found Ocetalo's work to be prompt, accurate and always professional. I think that Ocetalo would make a fine edition to your staff in any capacity.

Please feel free to call me at (908) 788-8615 or feel free to contact me on email at lavozehunterdon@yahoo.com if I can be of any further assistance.

Sincerely,

Kelly Ospina
Executive Director
